Hi, my name is Jon Evans.

I'll be here to show you around the library, as well as teach you a bit about DiceCloud v2 in general.

Please, use the plus button below to select a topic you'd like to learn about.

When you're ready to proceed, click the "Proceed to Sources" button below and we can proceed to sourcebook selection.

Oh, one last thing: Many of you may have strolled these halls and used my libraries before they were entirely open to the public. *I no longer recommend individually subscribing to my libraries. Instead, please use the links below to subscribe to an entire collection at once. Otherwise, you may find that things do not work as intended. You need not manually subscribe to each library in a collection, just hit the button in the top right of the collection page.*

TAMERAN'S LIBRARY OF EVERYTHING

This library is still in development!

We have done our best to fix all the bugs we are aware of before releasing version 1.0- however, with a project of this scale it is all but guaranteed that some slipped through the cracks!

If you have found a bug or issue, or if you simply would like to request that something be added sooner rather than later, please visit the LoV Discord server linked here: <https://discord.gg/z3FRWzr63B>.

Thank you for your patience! And thank you for helping us build this massive community project!

BONUS ACTION

Wild Shape

Cost: 1 Wild Shape

As a Bonus Action, you shape-shift into a Beast form that you have learned for this feature. You stay in that form for **1** hours until you use Wild Shape again, have the Incapacitated condition, or die. You can also leave the form early as a Bonus Action.

CALL TO THE WAVE

You know the acid splash cantrip. Starting at 3rd level, you can cast the create or destroy water spell with this trait. Starting at 5th level, you can also cast the water walk spell with this trait, without requiring a material component. Once you cast create or destroy water or water walk with this trait, you can't cast that spell with it again until you finish a long rest. You can also cast either of those spells using any spell slots you have of the appropriate level.

DRUIDIC

You know Druidic, the secret language of Druids. While learning this ancient tongue, you also unlocked the magic of communicating with animals; you always have the Speak with Animals spell prepared.

You can use Druidic to leave hidden messages. You and others who know Druidic automatically spot such a message. Others spot the message's presence with a successful DC 15 Intelligence (Investigation) check but can't decipher it without magic.

EVENT

HEROIC INSPIRATION

If you have Heroic Inspiration, you can expend it to reroll any die immediately after rolling it, and you must use the new roll.

AMPHIBIOUS

You breathe air and water.

You have resistance to acid damage.

CRAFTER

You gain the following benefits:

- **Tool Proficiency.** You gain proficiency with three different Artisan's Tools of your choice from the Fast Crafting table.
- **Discount.** Whenever you buy a nonmagical item, you receive a 20 percent discount on it.
- **Fast Crafting.** When you finish a Long Rest, you can craft one piece of gear from the Fast Crafting table, provided you have the Artisan's Tools associated with that item and have proficiency with those tools. The item lasts until you finish another Long Rest, at which point the item falls apart.

SPELLCASTING [Druid]

You have learned to cast spells through studying the mystical forces of nature. The information below details how you use those rules with Druid spells, which appear on the Druid spell list later in the class's description.

WILD COMPANION

You can summon a nature spirit that assumes an animal form to aid you. As a Magic action, you can expend a spell slot or a use of Wild Shape to cast the Find Familiar spell without Material components.

When you cast the spell in this way, the familiar is Fey and disappears when you finish a Long Rest.

WILD SHAPE

The power of nature allows you to assume the form of an animal. As a Bonus Action, you shape-shift into a Beast form that you have learned for this feature (see “Known Forms” below). You stay in that form for **1** hours until you use Wild Shape again, have the Incapacitated condition, or die. You can also leave the form early as a Bonus Action.

Beast Shapes

- Known Forms: **4**

Temporary Hit Points. You gain a number **9** Temporary Hit Points

CIRCLE OF THE MOON SPELLS

When you reach a Druid level specified in the Circle of the Moon Spells table, you thereafter always have the listed spells prepared.

In addition, you can cast the spells from this feature while you’re in a Wild Shape form.

Each creature (other than you) in the area when you cast the spell must succeed on a **DC 13** Strength saving throw or have the Restrained condition until the spell ends. A Restrained creature can take an action to make a **DC 13** Strength (Athletics). On a success, it frees itself from the grasping plants and is no longer Restrained by them.

ENLARGE/REDUCE

2nd-level transmutation
Casting Time: Action
Range: 30 feet
Components: Concentration, Verbal, Somatic, Material (a pinch of powdered iron)
Duration: up to 1 minute
For the duration, the spell enlarges or reduces a creature or an object you can see within range (see the chosen effect below). A targeted object must be neither worn nor carried. If the target is an unwilling creature, it can make a **DC 13** Constitution saving throw. On a successful save, the spell has no effect.

Everything that a targeted creature is wearing and carrying changes size with it. Any item it drops returns to normal size at once. A thrown weapon or piece of ammunition returns to normal size immediately after it hits or misses a target.

Enlarge. The target’s size increases by one category—from Medium to Large, for example. The target also has Advantage on Strength checks and Strength saving throws. The target’s attacks with its enlarged weapons or Unarmed Strikes deal an extra 1d4 damage on a hit.

Reduce. The target’s size decreases by one category—from Medium to Small, for example. The target also has Disadvantage on Strength checks and Strength saving throws. The target’s attacks with its reduced weapons or Unarmed Strikes deal 1d4 less damage on a hit (this can’t reduce the damage below 1).

Range: 60 feet
Components: Concentration, Verbal, Somatic, Material (a ball of wax)
Duration: up to 1 minute
You create a 5-foot-diameter sphere of fire in an unoccupied space on the ground within range. It lasts for the duration. As a Bonus Action, you can move the sphere up to 30 feet, rolling it along the ground. If you move the sphere into a creature’s space, that creature makes the save against the sphere, and the sphere stops moving for the turn.

When you move the sphere, you can direct it over barriers up to 5 feet tall and jump it across pits up to 10 feet wide. Flammable objects that aren’t being worn or carried start burning if touched by the sphere, and it sheds Bright Light in a 20-foot radius and Dim Light for an additional 20 feet.

FIND FAMILIAR (WILD COMPANION, SPELL SLOT)

1st-level conjuration (ritual)
Casting Time: Action
Range: 10 feet
Components: Ritual, Verbal, Somatic
Duration: Instantaneous
You gain the service of a familiar, a spirit that takes an animal form you choose: Bat, Cat, Frog, Hawk, Lizard, Octopus, Owl, Rat, Raven, Spider, Weasel, or another Beast that has a Challenge Rating of 0. Appearing in an unoccupied space within range, the familiar has the statistics of the chosen form, though it is a Fey instead of a Beast. Your familiar acts independently of you, but it obeys your commands.

Telepathic Connection. While your familiar is within 100 feet of you, you can communicate with it telepathically. Additionally, as a Bonus Action, you can see through the familiar’s eyes and hear what it hears until the start of your next turn, gaining the benefits of any special senses it has.

Finally, when you cast a spell with a range of touch, your familiar can deliver the touch. Your familiar must be within 100 feet of you, and it must take a Reaction to deliver the touch when you cast the spell.

Combat. The familiar is an ally to you and your allies. It rolls its own Initiative and acts on its own turn. A familiar can’t attack, but it can take other actions as normal.

Disappearance of the Familiar. When the familiar drops to 0 Hit Points, it disappears. It reappears after you cast this spell again. As a Magic action, you can temporarily dismiss the familiar to a pocket dimension. Alternatively, you can dismiss it forever. As a Magic action while it is temporarily dismissed, you can cause it to reappear in an unoccupied space within 30 feet of you. Whenever the familiar drops to 0 Hit Points or disappears into the pocket dimension, it leaves behind in its space anything it was wearing or carrying. The familiar also disappears when you finish a Long Rest.

One Familiar Only. You can’t have more than one familiar at a time. If you cast this spell while you have a familiar, you instead cause it to adopt a new eligible form.

Casting Time: Action

Range: Touch

Components: Verbal, Somatic

MOONBEAM

2nd-level evocation

Until the spell ends, Dim Light fills the Cylinder, and you can take a Magic action on later turns to move the Cylinder up to 60 feet.

When the Cylinder appears, each creature in it makes a **DC 13** Constitution saving throw. On a failed save, a creature takes **2d10** Radiant damage, and if the creature is shape-shifted (as a result of the Polymorph spell, for example), it reverts to its true form and can't shape-shift until it leaves the Cylinder. On a successful save, a creature takes half as much damage only. A creature also makes this save when the spell's area moves into its space and when it enters the spell's area or ends its turn there. A creature makes this save only once per turn.
