APPEARANCE

Armor looks like an oversized action figure, and he rarely leaves it. Inside the armor he is a pale 20-something with greasy, receding hair and a big gut.

BACKSTORY & PERSONALITY

The son of two very successful toymakers and inventors, Gael has always been caught up in stories of adventure. Although raised to be a pacifist, he decided to leave his parent's basement to fight crime in armor of his design. Unfortunately, there is not much crime to fight in a college town, and he doesn't actually know where to get started. Plus, he pukes at the sight of blood.
